

NERO STREAM XD2 Streaming Amp

Enhance your listening pleasure with the OSD Nero XD2 Amp. By connecting to your favorite speakers and subwoofer, and with minimal setup required, the OSD Nero XD Seires offer a seamlessly integrated path to whole-house audio nirvana.

All the major streaming services are supported, including Spotify and Amazon Music. Playlists and favorites can be set up and played in each room where there is a Stream XD. Each one can have its own favorites, allowing guests or kids to have their own music preferences easily at hand. When you want that music to be played in any, or all, rooms simply synch the rooms together using the App.

The other inputs on the Stream XD2 allow you to select many different sources, such as TV via the ARC or optical input, or a turntable through the analog input. You can even store and play your own music files via the USB input and guests can stream to the system via the BT connection.

The included remote control allows you to control the system without a phone, perfect for those times when you are on a call or if the phone is elsewhere.

SPECIFICATIONS

- Amplifier: Hi-Res Stereo
- Design: Class D
- Channels: 4 W/Speaker A and B
- WIFI BAND: 2.4G
- Peak power output: 300W/Ch @ 4 Ohm
  75W x 2 RMS, 2 x 150W Peak Power Output @ 8 Ohm
  150W x 2 RMS, 2 x 300W Peak Power Output @ 4 Ohm
- Frequency Response: 20Hz-20kHz
- Impedance: 8 Ohm to 4 Ohm Stable
- Signal to Noise Ratio: >95dB A-weighted
- Sources/ Inputs: ARC/Coax/DAC(with U disk MP3 Playback/Optical/RCA Aux/ Wi-Fi/Wireless BT
- Output: Dedicated Subwoofer Single RCA
- LAN-RJ45
- Maximum Sample Rate: 44.1kHz, 48kHz
- Bit Resolution: 16-24 bits
- Gain: Analog, 30dB Digital: 0dBFS
- Online Music: Spotify, Amazon Music, Tidal, Napster, Tunein Internet Radio, iHeartRadio, vTuner,
- Stream Protocol: Airplay and DLNA
- Wall Mountable
- Remote Control Included
- Dimensions (L x H x D): 8.56” x 1.73” x 7.44”
- Warranty: 2 Years
