MMR 30T

PAIR OF MICRO MONITOR SPEAKER

Description

MMR 30T is a full-range wall-mount speaker designed for a wide range of indoor and outdoor applications. Thanks to its refined finishes and discreet design, it blends seamlessly into any architectural context. Featuring a3” full-range transducer and 10 W RMS power handling, this compact speaker also comes with an integrated transformer for connection to 70/100 V constant-voltage lines. Its high-quality components guarantee clear, balanced reproduction for background music and speech, reaching remarkable sound pressure levels for such a small device. The connection is simple and secure through removable two-pole screw terminals. The included wall-mount bracket provides swivel and tilt adjustment for precise orientation.
